ANDREW FEDOR DECISION:

There are 3 unregistered vehicles on the property owned by Andrew Fedor. The ordinance allows for 2; therefore 1 must be removed. As per DEP and township zoning officer Stanley Whittaker, the pile of stumps and junk wood pile must be removed. The cleanup to remove the solid waste throughout must be finished as per Charles Rogers of the DEP. Tree planting/screening for the neighboring properties must be done per Mr. Rogers. The dirt pile adjacent to the neighboring property must be removed to address the buffer zone. There will be a \$1,000.00 fine issued to Mr. Fedor for not addressing these issues within the 45 days set in the notice. There are other issues (storage bins, shed, etc.) that will be addressed with a land development in the near future.
