## **Department of Health Provides Update on COVID-19, 1,751 Positives Bring Statewide Total to 19,979**

**Harrisburg, PA**-The Pennsylvania Department of Health today confirmed as of 12:00 a.m., April 10, that there are 1,751 additional positive cases of COVID-19, bringing the statewide total to 19,979. All 67 counties in Pennsylvania now have cases of COVID-19. The department also reported 78 new deaths among positive cases, bringing the statewide total to 416. County-specific information and a statewide map are available [here](#). All people are either in isolation at home or being treated at the hospital.

“Now more than ever, as we continue to see COVID-19 cases and deaths rise in Pennsylvania, we need Pennsylvanians to take action,” Secretary of Health Dr. Rachel Levine said. “Those actions should be to stay calm, stay home and stay safe. If you must go out, please limit it to as few trips as possible and wear a mask to protect not only yourself, but other people as well. We need all Pennsylvanians to heed these efforts to protect our vulnerable Pennsylvanians, and our healthcare workers and frontline responders.”

There are 93,040 patients who have tested negative to date. Of the patients who have tested positive to date the age breakdown is as follows:

- Less than 1% are aged 0-4;
- Nearly 1% are aged 5-12;
- 1% are aged 13-18;
- Nearly 7% are aged 19-24;
- 41% are aged 25-49;
- 29% are aged 50-64; and
- Nearly 21% are aged 65 or older.

Most of the patients hospitalized are aged 65 or older, and most of the deaths have occurred in patients 65 or older. There have been no pediatric deaths to date. More data is available [here](#).

All non-life-sustaining businesses are ordered to be closed and schools are closed statewide for the remainder of the academic year. Currently the entire state is under a stay-at-home order.

### **Statewide – The Wolf Administration has since noon, April 9:**

- [Extended school closures for remainder of the academic year](#).

**The Wolf Administration stresses the role Pennsylvanians play in helping to reduce the spread of COVID-19:**

- Wash your hands with soap and water for at least 20 seconds or use hand sanitizer if soap and water are not available.
- Cover any coughs or sneezes with your elbow, not your hands.
- Clean surfaces frequently.
- Stay home to avoid spreading COVID-19, especially if you are unwell.
