

The PA Department of Health has expanded the community-based drive-thru testing site to include those who are experiencing symptoms of COVID-19 that live and work in Northeast PA.

The location is in Luzerne County at
Mohegan Sun Pocono Arena at Casey Plaza
255 Highland Park Blvd, Wilkes-Barre, PA 18702
This site operates daily from 10:00 am -4:00 pm

- Determine if you have **symptoms of COVID-19**. Symptoms may appear in as few as two days or as long as 14 days after exposure. Symptoms include:
 - fever
 - cough
 - shortness of breath
 - diarrhea
- If you **have symptoms**, [pre-register for testing](#) online or by phone one day **of advance of testing**. For example, to get tested on Monday, you must pre-register on Sunday. ***Please do not go to the testing site without pre-registering online or by phone.***
 - View the [Instructions for Registering for COVID-19 Testing](#) using the online registration system.
 - If you meet the testing requirements, you will receive instructions for making an appointment.
 - If you are unable to register online, you may call 1-877-PA-HEALTH (1-877-724-3258) and a community health nurse will be able to help you register. You will receive a patient number and an appointment time.
- If you **do not have symptoms**, follow these [directions for self-monitoring for symptoms](#).
-

Please be advised that you do not need a prescription from a doctor to participate in this testing Secretary Levine has a standing order for the test.
