

Department of Health Provides Update on COVID-19, 467 Positives Bring Statewide Total to 77,313

Harrisburg, PA - The Pennsylvania Department of Health today confirmed as of 12:00 a.m., June 11, that there are 467 additional positive cases of COVID-19, bringing the statewide total to 77,313. All 67 counties in Pennsylvania have cases of COVID-19.

There are 6,113 total deaths attributed to COVID-19, an increase of 51 new deaths. County-specific information and a statewide map are available [here](#).

“With more than half of the state now in the green phase of the process to reopen, it is essential that we continue to take precautions to protect against COVID-19,” Secretary of Health Dr. Rachel Levine said. “Each of us has a responsibility to protect ourselves, our loved ones and others by wearing a mask, maintaining social distancing and washing our hands frequently. Together we can protect our most vulnerable Pennsylvanians, our essential workers and our healthcare system.”

There are 630 patients who have a positive serology test and either COVID-19 symptoms or a high-risk exposure, which are considered probable cases and not confirmed cases. There are 476,439 patients who have tested negative to date. Of the patients who have tested positive to date the age breakdown is as follows:

- Nearly 1% are ages 0-4;
- Nearly 1% are ages 5-12;
- Nearly 2% are ages 13-18;
- 6% are ages 19-24;
- Nearly 37% are ages 25-49;
- 25% are ages 50-64; and
- 28% are ages 65 or older.

Most of the patients hospitalized are ages 65 or older, and most of the deaths have occurred in patients 65 or older.

In nursing and personal care homes, there are 16,357 resident cases of COVID-19, and 2,871 cases among employees, for a total of 19,228 at 627 distinct facilities in 45 counties. Out of our total deaths, 4,215 have occurred in residents from nursing or personal care facilities.

Approximately 5,888 of our total cases are in health care workers.

Currently, all 67 counties are in the yellow or green phase of reopening.

The Wolf Administration stresses the role Pennsylvanians play in helping to reduce the spread of COVID-19:

- Wash your hands with soap and water for at least 20 seconds or use hand sanitizer if soap and water are not available.

- Cover any coughs or sneezes with your elbow, not your hands.
- Clean surfaces frequently.
- Stay home to avoid spreading COVID-19, especially if you are unwell.
- If you must go out for a life-sustaining reason, please wear a mask.
