

L&I Holding Virtual Town Hall on Unemployment Compensation at 1 p.m. Thursday

Harrisburg, PA – Pennsylvanians can ask questions directly to unemployment compensation experts during the Department of Labor & Industry's (L&I) tenth live **virtual town hall from 1:00 PM to 2:00 PM this Thursday, July 30**. The event will feature information about regular unemployment compensation (UC) and other new COVID-19-related benefits programs, including the end of the \$600 federal weekly benefit.

How to participate

A livestream will be online at <https://access.live/PAlabor>. Those without internet access can listen by calling 1-833-380-0719, however access is limited so we ask that they be reserved for individuals who need them.

Participants can ask questions live during the town hall. To protect participants' personal confidential information, specific questions about individual claims cannot be answered during the town hall.

Pennsylvania has implemented all of the new programs under the federal [Coronavirus Aid, Relief, and Economic Security \(CARES\) Act](#):

- [Pandemic Unemployment Assistance \(PUA\)](#) – for self-employed, gig workers, contractors and others not normally eligible for UC.
- [Pandemic Emergency Unemployment Compensation \(PEUC\)](#) – additional 13 weeks of benefits to people who exhaust their regular UC.
- [Federal Pandemic Unemployment Compensation \(FPUC\)](#) – extra \$600 per week for anyone receiving unemployment benefits.
 - *The federal government created and funded the \$600 weekly FPUC payment. Under federal requirement, **the claim week ending July 25, 2020, was the last \$600 FPUC payment claimants will receive.** Any extension must be approved by the federal government.*

Unemployment Benefits Statistics

Since mid-March, more than **\$30.7 billion** in benefits has been paid to claimants:

- \$12 billion from regular UC
- \$14.5 billion from FPUC
- \$4 billion from PUA
- \$184.5 million from PEUC

Of the eligible claimants that applied for benefits between March 15 and June 27, and who filed for continued claims, **93 percent** received payment as of July 28.

Improving Customer Service

- L&I UC staff has worked more than **216,000** overtime hours since mid-March.

- UC service center staffing levels have increased **109 percent** since March 15 with the hiring of new employees and reassigning of staff from other state offices/agencies.
- Since mid-March, UC staff has responded to more than 652,169 total emails.
